

Snips for jewellers	144	Standard triple grip pullers.....	415, 417, 419
Snips for sheets	144-145	Standard twin and thin grip puller sets	407
Socket head screw wrenches	252, 255	Standard twin and thin grip pullers	407
Socket head screw wrenches "T" type	272	Standard twin grip pullers	405-406, 408, 411
Socket head screw wrenches sets.....	253, 257	Stands	489
Socket ratchets for torque wrenches.....	211	Staple removers	106
Socket wrenches with tommy bar	269	Starlock blades and accessories for multi-tools	498
Sockets	277, 282, 286,	Steel measuring tapes.....	966-967
.....	292, 296, 307,	Steel measur'ng tapes with plumb bob.....	968
.....	313, 315-318	Steel carbine-hooks.....	630-631
Sockets sets.....	276, 280, 285,	Steel drop- forged vices with big anvil	712
.....	291, 293, 302,	Steel drop-forged special plumber vices	711
.....	310, 315-318,	Steel drop-forged vices.....	711-712
.....	320, 323	Steel marking gauges.....	987
Soft brushes	1095	Steel marking gauges with squares.....	987
Soft face caps	668	Steel rulers	958
Soft solder fluxes.....	803	Steel rules.....	958-959
Soft solder-and tinning paste	803	Steel squares.....	976
Soldering and cutting tools.....	772, 774, 776-777	Steeling wheel pullers.....	424
Soldering irons	785	Steering arm pullers	412
Soldering plastic rods.....	804	Stepped tommy bars	247-249
Soldering tweezers for electronics	20	Stereo microscopes	913
Soldering wire	802	Stethoscopes for mechanics	552
Soft tin solder rods	805	Stitched cotton discs.....	533
Sound absorbent mats	367	Stone chisels	720
Sound level meters	1048	Stone hand cutters	730
Spades and shovels.....	733	Storage cases.....	622-623
Spare legs for pullers	408-410	Straight edges	960
Spare parts and accessories		Straight grinders	486, 488
for interchangeable head wrenches	285	Straight shank core drills right hand cutting.....	1235
Spare parts for big air treatment units filtersystem V-M-A	882		
Spare parts for punching machines	155	Straight shank drills for threaded 60° centre holes,	
Spare parts for sockets	279, 283, 289, 292,	right hand cutting	1230
.....	299, 301, 307,	Straight shank micro precision drills, form A,	
.....	314-316, 318	right hand cutting	1203
Spark plug pliers	82	Straight shank subland drills 180° included angle,	
Spark plug spanners	269	right hand cutting	1229
Sparkplug testers	555	Straight shank subland drills 180° included angle,,	
Special c-clamp grip pliers	94	right hand cutting	1229-1230
Special electronic cutters	116	Straight shank subland drills 90° included angle	
Special grip pliers.....	92, 94	right hand cutting	1228
Special handsaws	1086	Straight shank subland drills 90° included angle,	
Special magnetic jaws for vices	710	right hand cutting	1228-1229, 1231
Special soldering paste	804	Strap wrenches.....	86
Special strap wrench.....	89	Stretchers	636
Special tools for seals / O-rings set.....	1404	Strip-fix cable scrapers	24
Special wrenches	80	Strip-fix stripping pliers	24
Spindles for pullers.....	427	Stroke counters	1018-1019
Spiral pins	687	Stub drills for spot welds.....	1233
Spirit levels.....	974-975	Stub drills with 3 cuttings, right hand cutting	1248
Splitting axes.....	673	Stub drills, quick for AL and CU,	
Splitting chisels flat.....	718, 724	right hand cutting	1205, 1214, 1220
Spray guns for underbody material	852	Stub drills, right and left hand cutting	1204, 1209
Sprayers.....	831	Stub drills, right hand cutting	1205-1207, 1211,
Spring and precision balances	1064		1213-1214, 1216,
Spring dynamometers.....	1064		1224-1225, 1242,
Spring plungers with thread	690, 692		1244, 1247, 1249
Spring tile cutters	731	Stub drills, right hand cutting with reduced shank	1246
Square socket wrenches.....	251	Stub drills,slow helix, right hand cutting.....	1205
Square socket wrenches, males	252	Stud screw inserter.....	243
Square vernier calipers	926	Stud setters and extractors.....	397
Squares with goniometers.....	982	Studs for chucks	437
Stainless steel tools	1405	Suckers.....	1076, 1078
Stand electric grinders	486	Surface gauges	983
Standard pullers.....	412	Surface plates.....	989
Standard pullings and extensions lose.....	406	Surface temperature indicators	783
Standard triple and thin grip puller sets.....	416	Switch key universal wrenches.....	74
Standard triple and thin grip pullers	415-416	Swivel precision vices.....	708
